As per Lt. Gravina, I accompanied Linda Curley to her residence at 14 Madison Hill Rd. She expressed a grave concern for her safety as a result of past incidents and presently an ongoing divorce that has resulted in many arguments.

PO Roberts and I entered the residence to speak with her husband, Jimmy Curley. Mr. Curley, was not home.

Linda Curley, again expressed concern for her safety. She opened a closet and removed a plastic box filled with various medications and syringes. I noted four bottles of oxycontin in her husband's name. All four bottles were several years old. They appeared to be full. When I inquired why there was so much medication, she stated, "it was for his fake injury". She further stated there is enough there to kill her and she would like it removed from the home. Since it was several years old I told her I would. I also removed some syringes and several vials of other medication, all at her request. All of the aforementioned I vouchered at RPD for safekeeping.

Linda looked in a few drawers and closets for any firearms. She stated there did not appear to be any.

Linda also requested I remove their computer. She is allegeing Mr. Curley may have purchased several high priced items on her credit account using the computer. She states the account(s) is exclusively hers. She is awaiting information from the creditor. Mrs. Curley does not want any information erased from the computer that may implicate Mr. Curley in using her account(s). The computer was vouchered at RPD.

Mrs. Curley signed and was issued a receipt for all property removed from the home. The entire incident was recorded on car 423's transmitter.

At approximately 2200 hours Jimmy Curley returned my voicemail and phoned me at the station. We spoke on RPD phone line X550.

He was advised his wife had returned home. He inquired if anything was removed from the home. I advised him some expired medications and their computer. He was okay with the medication being removed, but inquired if he may have the computer back.

He advised he will be returning from the New Jersey shore area no later than 0900 on Saturday.

At approximately 2220 hours Lt. Gravina directed me to photograph and return the medications removed earlier in the night. I photographed said medication. I gave those to PO Roberts to return to Linda Curley.

-------------------	---------------------------	-------------------------------------	------------------------

On today's date I spoke with ADA Yvonne Garbett, regarding the removal of a computer tower from 14 Madison Hill Road. I explained to ADA Garbett the following circumstances:

Linda Curley is alleging her estranged husband, James Curley, has used their mutually owned computer to make purchases in her name. Mrs. Curley is alleging these purchases have been made after they filed for divorce. She further is alleging these purchases were made on account(s) that are exclusively hers and James Curley has and never had any right to use these accounts. Mrs. Curley stated she will contact the creditor(s) and forward more details to Ramapo PD as she gets them. Mr. Curley was not present when I removed the computer tower. Mrs. Curley asked me to remove the computer for fear that her estranged husband will attempt to tamper with any evidence that may be on the computer.

ADA Garbett agreed the computer tower should be kept by Ramapo PD for evidentiary reasons. I advised her presently there is no signed charge as I am awaiting more information from the complainant, Linda Curley. Captain Brower was advised of same.

At approximately 1615 hours I returned the phone call of Atty. Paul Goldhammer (356-2570). On department voicemail he stated he is representing James Curley and he is inquiring about a computer. Mr. Goldhammer was not available, I left message with Marian Crapanzano that I was returning his call.

Note: The computer tower is a Dell Dimension 8400 serial #FZ4ML61.

At approximately 1645 hours Mr. Goldhammer returned my call. He inquired about the removal of the computer. He stated ADA Garbett was recently out of law school and not very knowledgeable when it comes to practicing law. He stated the police needed a warrant to remove the computer and I should consult with a superior and Town Counsel. I advised Mr. Goldhammer I would forward the suggestion. Mr. Goldhammer stated he did not want "to make a stink" but the computer must be returned. I advised him the computer was removed with the consent of the owner, Linda Curley, and that her ownership was confirmed through a phone conversation with James Curley.

I spoke with Captain Brower. He advised me to be guided by the District Attorney's advice. I again spoke with ADA Garbett. She reaffirmed her decision to keep the computer pending an investigation. She stated, "I even checked with my boss and she is okay with it."

5. Date 8/4/06		6. Time of Report 1945		7. Complainant Name Linda Curley			8. Domestic Dispute		

Linda Curley came in to the station to sign some paperwork. While at the station I inquired about her accusations of James Curley using her credit card account. She stated it was a SEARS account, but she still did not have much information. I assisted her with obtaining pertinent information.

I phoned SEARS' credit security office and spoke with Amanda (no last name given) operator ID #LCU1154. She advised me that the SEARS account is exclusively in Linda Curley's name. The account has always been in Linda's name, but James Curley had been an authorized user up until July 21, 2006. On July 23rd Linda closed the account and opened a new account exclusively in her name. On July 28th a product protection plan was purchased using her new account. The amount was \$374.95. Amanda was unable to determine if this purchase was made on-line or in a SEARS store. The computer system was not clear, but there appeared to be a store receipt from the Nanuet store. Linda Curley advised she did not make any purchases. She did cancel this transaction.

Since the transaction appears to have been made in Clarkstown I have referred Mrs. Curley to Clarkstown PD. I have returned the Dell Dimension 8400 computer and advised her to present it to Clarkstown PD as possible evidence, or to retain it herself.

Linda Curley has signed the property receipt.

-------------------	---------------------------	--------------------------------------	----------------

On 08/08/06 at about 2110HRS. I responded to the Curley residence at 14 Madison Hill Rd. in Airmont in response to a reported domestic dispute. I arrived on the scene with PO Smith. Upon arrival I was met in the front yard by James Curley. James Curley stated that he is currently going through a divorce proceeding with his wife, Linda Curley, and that he has custody of his son, James Jr., as well as their other child, Courtney Curley. James Curley stated that Linda Curley has court ordered visitation on the weekends. James further stated that Linda Curley had been living on Meadowbrook Lane in Suffern for the past few weeks.

PO Rutland arrived on the scene.

James Curley's brother, Michael Curley, arrived on the scene. Michael Curley remained outside the residence. He left the scene before PO Smith, PO Rutland, and I left.

I spoke with Linda Curley. She stated that she wanted to give James Jr. a bath. She further stated that James Jr. had diaper rash which resulted in the skin on his buttocks bleeding. Both James and Linda Curley agreed to allow Emergency Medical Service Personnel to examine the child. Ramapo Valley Ambulance arrived. The EMS personnel stated that it was diaper rash but that it was not a medical emergency.

I was advised by both James and Linda that there were no guns in the house.

I read the Order of Protection that James Curley had against Linda Curley. There were no violations. I read the Order of Protection that Linda Curley had against James Curley. There were no violations.

James Curley and Linda Curley agreed to both spend the night at 14 Madison Hill Rd. with the two children. James agreed to allow Linda to bathe James Jr. Both James and Linda stated that they would contact their respective attorneys in the morning.

I briefed Lt. Bakker (O.I.C.) via telephone from the scene.

When I returned to Police Headquarters I again briefed Lt. Bakker. I then briefed Lt. Cokeley (Staff Duty Officer) via telephone.

I advised the on-coming midnight shift O.I.C., Sgt. Matos, of this incident.
